(1) "Claimant" means a person who files a claim for property tax reductions as authorized by [sections 1 through 8] and who was a resident of this state for at least 7 months during the calendar year for which the claim was filed. A claimant must have resided, as either an owner or renter, in a qualified residence for at least 7 months during the calendar year for which a claim is filed.

(2) "Deceased veteran" means a person who was killed while on active duty or dies as a result of a service-connected disability.

(6) "Household income" means the total income of a household as reported on the tax return or returns required by this chapter for the year in which the credit is being claimed excluding losses and before any federal or state adjustments to income. In cases in which the claimant is not required to file a tax return under this chapter, household income means the total household income as it would have been reported had the claimant been required to file a return.

(7) "Property taxes" means taxes billed against a qualified residence, including special assessments and fees but excluding penalties and interest during the claim period. Property taxes do not include special assessments or voted mill levies billed after December 31, 2011.

A qualified residence must be occupied by a claimant for at least 7 months during the year for which a claim is made.

(9) "Rent constituting property taxes" means 15% of the gross rent actually paid by a claimant for the right of occupancy

of a qualified residence for which the claimant has submitted a claim.

(4) A claimant not required to file a tax return under this chapter may submit a claim for the credit.

(6) The department may grant a reasonable extension for filing a claim whenever, in its judgment, good cause exists.

(7) In the event that an individual who would have a claim under [sections 1 through 8] dies before filing the claim, the personal representative of the estate of the decedent may file the claim.

(8) The department or an individual may revise a return and an individual may make a claim under [sections 1 through 8] within 5 years from the last day prescribed for filing a claim for reduction.

(9) Only one claim may be made with respect to any qualified residence."

Insert: "NEW SECTION. Section 5. Calculation of credit. (1) The credit provided for in [section 4] is calculated based on a claimant's income as set out in column A of the table in subsection (6).

(5) A claimant who is a disabled veteran or the surviving spouse of a deceased veteran may claim a credit for property taxes billed or rent constituting property taxes paid to the extent that the property taxes billed or rent constituting property taxes paid exceeds the claimant's household income as set out in column D of the table in subsection (6).

(6) The following table must be used to calculate the credit provided for in [section 4]:

\$0 - \$10,500	2.5%	0%	0%
\$10,501 - \$26,000	3%	2%	0%

\$45,001 - \$60,000	3.5%	3.5%	3.5%

(7) A claimant who qualifies for a tax credit under more than one subsection of this section may claim the credit that provides the claimant with the greatest benefit.

(b) The maximum credit authorized for a claimant entitled to a credit under subsection (5) is \$2,000.

(9) By November 1 of each year, the department shall multiply the column A income bracket amounts contained in subsection (6) by the inflation factor for that tax year, but using the consumer price index for June 2009, and round the cumulative brackets to the nearest \$100. The resulting adjusted brackets are effective for that tax year and must be used as the basis for the determination of the tax credit authorized by this section."

Insert: "NEW SECTION. Section 6. Denial of claims. The department may deny claims if the department determines the claims or the claimants do not qualify pursuant to the terms of [sections 1 through 8] or if the department determines that a false or fraudulent claim has been filed."

Insert: "NEW SECTION. Section 7. False or fraudulent claims. A claimant who submits a false or fraudulent claim is guilty of false swearing under 45-7-202. In addition to the penalties available under 45-7-202, any claim granted as the result of a false or fraudulent claim may be recaptured by the department."

Insert: "NEW SECTION. Section 8. Rulemaking authority. The department may adopt rules necessary to implement, administer, and enforce [sections 1 through 8]."

Insert: "Section 9. Section 2-15-122, MCA, is amended to read:

(b) An agency or an official of the executive branch of state government other than a department head or the governor, including the superintendents of the state's institutions and the presidents of the units of the state's university system, may also create advisory councils but only if federal law or regulation requires that the official or agency create the advisory council as a condition to the receipt of federal funds.

(c) The board of public education, the board of regents of higher education, the state board of education, the attorney general, the state auditor, the secretary of state, and the superintendent of public instruction may create advisory councils, which shall serve at their pleasure, without the approval of the governor. The creating authority shall file a record of each council created by it in the office of the governor and the office of the secretary of state in accordance with subsection (9).

(2) Each advisory council created under this section must be known as the ".... advisory council".

(3) The creating authority shall:

(a) prescribe the composition and advisory functions of each advisory council created;

(b) appoint its members, who shall serve at the pleasure of the creating authority; and

(c) specify a date when the existence of each advisory council ends.

(4) Advisory councils may be created only for the purpose of acting in an advisory capacity, as defined in 2-15-102.

(5) (a) Unless an advisory council member is a full-time salaried officer or employee of this state or of any political subdivision of this state, the member is entitled to be paid in an amount to be determined by the department head, not to exceed \$50 for each day in which the member is actually and necessarily engaged in the performance of council duties and to be reimbursed for travel expenses, as provided for in 2-18-501 through 2-18-503, incurred while in the performance of council duties. The maximum daily pay rate must be adjusted for inflation annually using the formula provided in ~~15-6-134(2)(b)(ii) and (2)(b)(iii)~~, except that the base income level and appropriate dollar amount must be \$50 a day subsection (11).

(b) Members who are full-time salaried officers or employees of this state or of any political subdivision of this state are not entitled to be compensated for their service as members but are entitled to be reimbursed for travel expenses, as provided for in 2-18-501 through 2-18-503.

(6) Unless otherwise specified by the creating authority, at its first meeting in each year, an advisory council shall elect a presiding officer and other officers that it considers

necessary.

(7) Unless otherwise specified by the creating authority, an advisory council shall meet at least annually and shall also meet on the call of the creating authority or the governor and may meet at other times on the call of the presiding officer or a majority of its members. An advisory council may not meet outside the city of Helena without the express prior authorization of the creating authority.

(8) A majority of the membership of an advisory council constitutes a quorum to do business.

(9) Except as provided in subsection (1)(c), an advisory council may not be created or appointed by a department head or any other official without the approval of the governor. In order for the creation or approval of the creation of an advisory council to be effective, the governor shall file in the governor's office and in the office of the secretary of state a record of the council created showing:

- (a) the council's name, in accordance with subsection (2);
- (b) the council's composition;
- (c) the appointed members, including names and addresses;
- (d) the council's purpose; and
- (e) the council's term of existence, in accordance with subsection (10).

(10) An advisory council may not be created to remain in existence longer than 2 years after the date of its creation or beyond the period required to receive federal or private funds, whichever occurs later, unless extended by the appointing authority in the manner set forth in subsection (1). If the existence of an advisory council is extended, the appointing authority shall specify a new date, not more than 2 years later, when the existence of the advisory council ends and file a record of the order in the office of the governor and the office of the secretary of state. The existence of any advisory council may be extended as many times as necessary.

(11) (a) The income levels contained in subsection (5) must be adjusted for inflation annually. The adjustment to the income levels is determined by:

(i) multiplying \$50 by the ratio of the PCE for the second quarter of the year prior to the year of application to the PCE for the second quarter of 1995; and

(ii) rounding the product obtained to the nearest whole dollar amount.

(b) "PCE" means the implicit price deflator for personal consumption expenditures as published quarterly in the Survey of Current Business by the bureau of economic analysis of the U.S. department of commerce."

"5-2-301. Compensation and expenses for members while in session. (1) Legislators are entitled to a salary commensurate to that of the daily rate for an employee earning \$10.33 an hour when the regular session of the legislature in which they serve is convened under 5-2-103 for those days during which the legislature is in session. The hourly rate must be adjusted by any statutorily required pay increase. The president of the senate and the speaker of the house must receive an additional \$5 a day in salary for those days during which the legislature is in session.

(2) Legislators may serve for no salary.

(3) Subject to subsection (4), legislators are entitled to a daily allowance, 7 days a week, during a legislative session, as reimbursement for expenses incurred in attending a session. Expense payments must stop when the legislature recesses for more than 3 days and resume when the legislature reconvenes.

(4) After November 15, and prior to December 15 of each even-numbered year, the department of administration shall conduct a survey of the allowance for daily expenses of legislators for the states of North Dakota, South Dakota, Wyoming, and Idaho. The department shall include the average daily expense allowance for Montana legislators in determining the average daily rate for legislators. The department shall include only states with specific daily allowances in the calculation of the average. If the average daily rate is greater than the daily rate for legislators in Montana, legislators are entitled to a new daily rate for those days during which the legislature is in session. The new daily rate is the daily rate for the prior legislative session, increased by the percentage rate increase as determined by the survey, a cost of living increase to reflect inflation that is calculated pursuant to ~~15-6-134~~ subsection (8), or 5%, whichever is less. The expense allowance is effective when the next regular session of the legislature in which the legislators serve is convened under 5-2-103.

(5) Legislators are entitled to a mileage allowance as provided in 2-18-503 for each mile of travel to the place of the holding of the session and to return to their place of residence at the conclusion of the session.

(6) In addition to the mileage allowance provided for in subsection (5), legislators, upon submittal of an appropriate claim for mileage reimbursement to the legislative services division, are entitled to:

(a) three additional round trips to their place of residence during each regular session; and

(b) additional round trips as authorized by the legislature

during special session.

(7) Legislators are not entitled to any additional mileage allowance under subsection (5) for a special session if it is convened within 7 days of a regular session.

(8) (a) The income levels contained in subsection (4) must be adjusted for inflation annually. The adjustment to the income levels is determined by:

(i) multiplying the appropriate dollar amount by the ratio of the PCE for the second quarter of the year prior to the year of application to the PCE for the second quarter of 1995; and

(ii) rounding the product obtained to the nearest whole dollar amount.

"15-16-102. Time for payment -- penalty for delinquency.

Unless suspended or canceled under the provisions of 10-1-606 or

Title 15, chapter 24, part 17, all taxes levied and assessed in the state of Montana, except assessments made for special improvements in cities and towns payable under 15-16-103, are payable as follows:

(1) One-half of the taxes are payable on or before 5 p.m. on November 30 of each year or within 30 days after the tax notice is postmarked, whichever is later, and one-half are payable on or before 5 p.m. on May 31 of each year.

(2) Unless one-half of the taxes are paid on or before 5 p.m. on November 30 of each year or within 30 days after the tax notice is postmarked, whichever is later, the amount payable is delinquent and draws interest at the rate of $\frac{5}{6}$ of 1% a month from and after the delinquency until paid and 2% must be added to the delinquent taxes as a penalty.

(3) All taxes due and not paid on or before 5 p.m. on May 31 of each year are delinquent and draw interest at the rate of $\frac{5}{6}$ of 1% a month from and after the delinquency until paid, and 2% must be added to the delinquent taxes as a penalty.

(4) ~~(a)~~ If the date on which taxes are due falls on a holiday or Saturday, taxes may be paid without penalty or interest on or before 5 p.m. of the next business day in accordance with 1-1-307.

~~(b) If taxes on property qualifying under the low-income property tax assistance provisions of 15-6-134(1)(c) and 15-6-191 are paid within 20 calendar days of the date on which the taxes are due, the taxes may be paid without penalty or interest. If a tax payment is made later than 20 days after the taxes were due, the penalty must be paid and interest accrues from the date on which the taxes were due.~~

(5) (a) A taxpayer may pay current year taxes without paying delinquent taxes. The county treasurer shall accept a partial payment equal to the delinquent taxes, including penalty and interest, for one or more full tax years if taxes for both halves of the current tax year have been paid. Payment of taxes for delinquent taxes must be applied to the taxes that have been delinquent the longest. The payment of taxes for the current tax year is not a redemption of the property tax lien for any delinquent tax year.

(b) A payment by a co-owner of an undivided ownership interest that is subject to a separate assessment otherwise meeting the requirements of subsection (5)(a) is not a partial payment.

(6) The penalty and interest on delinquent assessment payments for specific parcels of land may be waived by resolution of the city council. A copy of the resolution must be certified to the county treasurer.

(7) If the department revises an assessment that results in an additional tax of \$5 or less, an additional tax is not owed and a new tax bill does not need to be prepared.

(8) The county treasurer may accept a partial payment of

centrally assessed property taxes as provided in 76-3-207."
